Hi amazing LPYP teachers,

I would love to share the summary (as attached) that I made from one of the workshops conducted by Olivia's Place called Rethink Disciplinary Actions in Schools. It focused on the seven stages of **students' behaviour escalation** and **what teachers can do to prevent further escalation** at each stage.

If you have extra time and would like to watch the recorded video, below is the direct link:

It will take you around 22 minutes to complete it. Thank you and have a lovely day! 🥰

Best wishes,
